NEWSLETTER NEWS
In the interest of saving resources and being kind to the environment, we are planning to phase out the printing of our newsletters. From the beginning of Term 4 2014, all school news will be accessible through the school website (www.ccpps.vic.edu.au). News, photos and videos from classrooms are available by subscribing to class blogs (http://www.cranbournecarlisleps.vic.edu.au/?page_id=184). By subscribing, you will be alerted each time there is a new post.
You will also continue to receive alerts of up-coming events and information through the Cranbourne Carlisle SkoolBag app, available free from the App Store and Google Play.

SCHOOL ASSEMBLIES
We thoroughly enjoy welcoming mums, dads, aunties, grandparents and friends to our school assemblies. The children do a wonderful job of hosting and gain confidence each time it is their turn.
If you have invited special visitors, please ask them to park at the rear of the school on Springhill Drive and enter through the gate next to the bike shed.

STILL SEEKING KNITTING DONATIONS
We are still seeking donations of wool and knitting needles (or “sticks, as one fledgling knitter called them!). The first project for the Knitting Club is to knit 30 stitch squares that will be stitched together to form a blanket for the First Aid Room. All donations 8 ply and 4mm) will be gratefully accepted. All knitters are welcome to send their squares!

IMPORTANT REMINDER
Thank you to the families who have returned raffle tickets, sold and unsold, to the School Office. Huge thanks to those families who have sold multiple books! We appreciate your commitment to our fundraising efforts.
All raffle tickets must be returned to the School Office by MONDAY 25 AUGUST. If raffle tickets have been lost, please provide a written explanation.

The raffle will be drawn on Friday 19 September. Good luck to all those who have purchased tickets!

IMMUNISATION
As part of enrolling in any Victorian government primary school, or transferring between schools, you need to show your child’s immunisation status certificate to the school. Children who are not immunised can still attend school but they must present an immunisation status certificate.

The Child History Statement from the Australian Childhood Immunisation Register may be used, but is only valid if it contains the statement ‘this child has received all vaccines required by 5 years of age’.

If an outbreak of an infectious disease occurs at the school, children who have not been immunised or for whom we have no documentation will be sent home until the danger has passed.

Michelle Streat will be in touch with all families of children who have not submitted an immunisation status certificate, or whose immunisation statement is incomplete. If you are contacted, please ensure that you quickly provide complete certificates so that we may adequately protect all children in our care.
