FOOTY DAY

Next Friday is Footy Day! We encourage all children to come to school wearing the colours of the team they support. It need not be Aussie Rules - we always have excellent representation from rugby, soccer and league. A real highlight of the day is the parade, where Mr McDonald holds court and the team songs are played. The children will participate in their multi-age groups and engage in football related games, skills sessions and events throughout the day.

We will be celebrating Footy Day and the end of term with a hot chip lunch. For $5, children will receive a generous serving of chips and soft drink. Please send children with fruit, snack and water bottle as usual.

A notice will be sent home on Monday and orders will need to be in no later than Wednesday. There will be no Subway lunches on Thursday.

NAPLAN NEWS

Staff at Cranbourne Carlisle firmly believe that solid literacy and numeracy skills form the basis of a sound education.

Each year all children in Years Three and Five undertake the national literacy and numeracy (NAPLAN) tests which provide an indication of children’s achievement in these areas. Reports to parents have been posted home this week.

Whilst the tests are only one measure and should therefore not be considered to provide a global picture of individual achievement, it is pleasing that Cranbourne Carlisle children have performed quite well across most areas and results do not vary significantly from State benchmarks.

Results will be available from the MySchool website: www.myschool.edu.au

COMMUNITY NEWS

CITY OF CASEY PLAYGROUPS

Participation in playgroup provides a range of benefits to both young children and their parents. For children the benefits relate to the contribution that play makes to child development, while for parents playgroup offers social support and reduces social isolation. Playgroups are an enjoyable and regular outing for families where they can share their parenting ideas and experiences.

Visit the City of Casey Website if you are interested in joining a playgroup, or maybe starting your own! www.casey.vic.gov.au
