Parent Teacher Conferences – Please join us for Parent Teacher Conferences in Week 3. This is a great opportunity for parents, teachers and children to discuss the year and create goals for the remainder of 2018.

Planning Week – Teachers will be engaged in collaborative planning activities. The Enrichment program will continue with some minor changes. Please visit the Year Level Blog for further information.

Polyfest Planning – If you are interested in planning our Polyfest Cultural Connectionz day please join us from 9-10am on the specific dates to be involved. Year 5 and 6 children will also be involved to help give the day a perfect plan.

FLC – Our Family Learning Club runs each Wednesday from 3:30-4:30pm and is an opportunity for children to do some additional learning. The club has been created with the wish to involve teachers and parents in small groups to create an engaging environment.

Breakfast Club – Breakfast is a vital part of the day and this club provides an opportunity for children to share a meal together. Parents are welcome to come and eat together with us or help serve meals. The more the merrier!

Fitness Group – Alanna and Katrina host our Fitness Group for those wanting to stay healthy and you can join at 9:30am out the front of school each week. Toddlers and prams are welcome, but be sure to bring along a water bottle. Coffee and a chat after is always an option too!

Adult Art – If you'd like some down time or to touch up on your art skills we have Adult Art classes each week. Work as fast or slow as you'd like under the guidance of our very own Ms Ciane Brewster.

Please note: This is not a class designed for children.
