

What's been happening...

Our recent Vacation Care was an absolute ball for both our children and staff! We planned lots of fun and engaging activities that we had not tried before and were fortunate enough to have some nice weather that allowed us to venture outside almost every day.

Children really enjoyed playing laser tag and that was one of our favorite days. We ended up playing for a couple of days as the children wanted to play more. The children demonstrated some great team skills throughout this session.

All incursions and excursions were cancelled due to current Covid situation however we were fortunate enough to enjoy some self-guided incursions! We were so excited to play these to the children. The older children were an incredible group support to the staff and ran some of the games like laser tag. Silly science day allowed for students to try different experiments in groups and even make their own slime! Minute to win it provided challenging and fun activities that were under time pressure. We also organised environmentally friendly activities like fashion design shows using only Coles bags, playdough and volcano making with expired food.

Cooking experiences are always popular. The children are always excited to share with their parents and grandparents. For the last day of vacation care, we provided special Pasta Bake lunch. This was greatly appreciated by many of our OSH Club families.

Club News

This term we will be running exciting clubs for our children. Due to popular demand, we have a Cooking and Crafty work club and a Sports Club. We are looking to introduce a third club in about Week 4 or 5 of Term based on the voice of the children in service.

Once lockdown is over, we are also looking forward to having an external Sport Coach come into ASC to deliver an additional PE program. Which day still to be decided and we will be sure to notify you all once we know. This program will run for 7 weeks and is an exciting addition to our program.

Tuesdays- Sports Club 4:00 pm - 4:45 pm

Thursdays - Cooking and crafty work club 4:00 - 4:45 pm

Quality Area Reflection

QA 5 Relationships with children

With fewer numbers In service we have been able to focus on the relationships between children who don't know each other quite as well. We have supported each child to build and maintain sensitive and responsive relationships with others. The staff members engaged with the children to build up trusting relationships and support each child to feel even more secured, confident and included.

Coordination Corner

Dear Families,

I would like to thank all parents who take time to provide me feedback about our service. At OSHClub, we are working hard on ensuring we provide the best OSHC experience for the children. Your feedback and opinions are important to us. Our aim is to provide the highest quality, fun and engaging care to your children. So we would truly appreciate 5 minutes of your precious time to share with us your thoughts.

Reminders

No Hats No Play!

It is compulsory to be wearing a hat in Term 4, we will be providing sunscreen for the children.

Lost Property:

Remember to tag all your child/children's property like hats, jackets, jumpers, bottles.... etc. It will be easy for us to send a message at the end of the session. Also, could you please check your child/children's bags before leaving the school premises.

Check Bookings: As it is a new term, we understand that your frequent bookings may need to be updated or extended throughout Term 4. We are happy to help update your bookings if you require any assistance! Please contact us via our email us or text us via our mobile number.
